

An easy way for anyone to help RiteCare kids and families is by using a new search engine powered by Yahoo! All you have to do is go to the website [www.goodsearch.com](http://www.goodsearch.com) and start researching your favorite topics (just as you would use Google, MSN or ASK.COM).

By using this free internet search engine -- **and by designating RiteCare of Washington as your charity of choice** – the Scottish Rite Language Centers across Washington will receive approximately 1 cent for every search you make.

*With just a click of your mouse,  
doing something you would typically be doing anyway,  
**YOU** make the difference by helping many more Spokane-area kids find their voice.*
